Welcome to Kin-Lai Store Fixtures!

In business for more than 25 years, Kin-Lai provides well-designed, high-quality store fixture products while striving to maintain extraordinary customer satisfaction. Our professional staff is always approachable, attentive, and knowledgeable.

Kin-Lai's extensive range of fixtures and components meets an equally broad range of requirements. We know our customers arrive with specific requirements and budgets in mind. Our custom-design service always provides the best combination of functional solutions and exceptional value.

Toronto is home to our Canada/US operation, supported by our more than 2,500,000 sq.ft. of manufacturing facility in Asia. The city is a major transportation hub allowing us to serve customers throughout North America.

Our distribution channels, market strategy, locations, inventory, and competitive pricing make us one of the top rank companies in this industry in Canada.

At Kin-Lai, we are proud of our products and pleased to provide focused solutions to your specific store fixture requirements.

Thank you for your patronage.
